

Initiation from "Rodeo's Future Champions Presented by Back on Track"

There is to be an invitational Jr. Rodeo in Edmonton on Thursday, November 9-2017

Rodeo's Future Champions is a natural event to be held in conjunction with the **CFR**. Most six pack holders would love to watch this type of entertainment as many of them have children or grandchildren that already participate in the sport of rodeo. It also would be a big day for these young cowboys and cowgirls to compete alongside and in the same city as their professional rodeo idols at the **CFR**.
