## **General Rules**

Please read directions carefully for each section and class (regarding dimensions, size, mounting required, etc). Failure to follow directions may result in the item being disqualified.

The Photography competition is for amateur enthusiasts to portray their work. Exhibitors are restricted to individuals who earn less than 50% of their income from photography work.

All exhibitors **MUST** be the bona fide photographer of their entry. The use of commercially altered or edited images will result in the forfeiture of ALL prizes won by exhibitor.

Only Judges and designated exhibition officials are allowed in the Exhibit Area during Judging. Judges will be selected from a pool of qualified individuals as determined by Explore Edmonton with input from the appropriate professional community. Explore Edmonton will be granted royalty-free rights to images for marketing purposes (not for resale). The exhibitor will retain all rights to the original photographs and their reproduction for sale.

All entries must arrive during the move in time noted. Organizers reserve the right to refuse entries that arrive after the designated time. Entries must be removed during the designated move out time. Entries not picked up during this time become the property of Explore Edmonton. Removal of entries by the exhibitor prior to the designated move out time will result in the forfeiture of all prize monies.

Youth entries will be divided into two separate sections: Elementary (11 years old and younger) and Junior (12-17 years old). Entrants' ages will be determined by their legal age as of November 1, 2022.

All entries must have official exhibition tags attached. Tags will be available during Move In.

Unless otherwise specified, exhibitors may submit a maximum of two (2) entries per class, provided each entry is unique. Exhibits are to be entered under only one name.

Entries containing scenes of violence, nudity, or sexually suggestive content will not be accepted.

All photos must have been taken within the past two years and not previously been entered in another Explore Edmonton competition.

Organizers reserve the right to combine classes due to insufficient entries or divide classes with extensive entries into multiple classes. Organizers may also move an entry if it better fits in another class.

Interpretation of all rules shall be made by exhibition officials, whose decision shall be final. Should any question arise not provided for in the Rules and Regulations, the decision of the exhibition officials shall be final. The right to alter, interpret, amend, add to or cancel any of these rules, or to grant relaxation from them in individual cases is reserved to the exhibition officials.

All properties of exhibitors entered for competition shall be subject to control of the organizers, but in no case shall Explore Edmonton be held responsible for any loss, damage, or injury of any nature to any such property while in its possession. Organizers will take reasonable precautions to ensure the safety of articles, but property owners should make their own arrangements for coverage against loss, damage, or injury.
