Northlands and the AMA honour Alberta farm families

EDMONTON, AB – Northlands and the Alberta Motor Association (AMA) honoured recipients of the AMA Farm Family Awards at a ceremony on Nov. 10 during Farmfair 2010. The annual awards recognize outstanding families from northern and central Alberta who best represent the values of the family farm within their rural communities. Now in their 42nd year, the AMA Farm Family Awards show appreciation for the contributions each of these families make to the further growth of the agricultural community.

The 17 winners of this year’s AMA Farm Family Awards were selected by the Agricultural Service Boards located north of Red Deer, based on a review of their farming expertise and community involvement. Each of the winning families were presented with a commemorative gate sign for their farm, as well as gifts from the AMA.
